Support for Regions Affected by 2024 Noto Peninsula Earthquake

Proterial, Ltd. would like to express its deepest condolences to all those who have been affected by the recent 2024 Noto Peninsula Earthquake.

Proterial, Ltd. will make a donation through Japan Platform (JPF) to support the victims of the disaster and the reconstruction of the affected regions. The company will collect donations from Proterial Group employees and run a matching program to double the donation amount (the minimum contribution by the company will be 5 million yen).

The company prays for the earliest possible recovery of the disaster-hit regions.

■About PROTERIAL

PROTERIAL

“Proterial” reflects the essence of our corporate philosophy, which consists of three elements: Mission: “Make the best quality available to everyone;” Vision: “Leading sustainability by high performance;” and Values: “Unflinching integrity” and “United by respect.” It combines “pro-” with the word “material.”

“Pro-” represents our “three pros”:

- Professional — work that exceeds expectations
- Progressive — a spirit that keeps challenging
- Proactive — an enterprising attitude

“Material” refers to the high-performance materials that our original technologies produce and underpinned by the three pros. With our focus on solving customer issues and bringing new levels of value, we promise to contribute to the realization of a sustainable society through the products and services that embody our philosophy.
