2. Reason for Dividend

The Company's basic dividend policy is to determine profit distributions to shareholders and internal reserves by comprehensively assessing business environment, business development, and business performance with a focus on growth over the medium-term to long-term. We recognize that it is the company's primary commitment to return an appropriate level of profits to our shareholders over the long-term through growth in corporate value.

We have therefore decided to declare a dividend of 13 yen per share for the year-end dividend for the fiscal year ended March 2017 after taking business performance and other factors into consideration, based on this policy. A dividend of 13 yen per share was also declared for the interim dividend, bringing the dividend for the full year to 26 yen per share.
