2. Reason for Dividend

The Company's basic dividend policy is to determine profit distributions to shareholders and internal reserves by comprehensively assessing business environment, business development, and business performance with a focus on growth over the medium-term to long-term. We recognize that it is the company's primary commitment to return an appropriate level of profits to our shareholders over the long-term through growth in corporate value.

In line with the above-mentioned policy, we have decided to declare a year-end dividend of 17 yen per share for the fiscal year ended March 31, 2019, after comprehensively adjusting for business performance in the current fiscal year, business developments, future forecasts, and shareholders' expectations for dividends. A dividend of 17 yen per share was also declared for the interim dividend, bringing the dividend for the full year to 34 yen per share.
