

## Participation in ESG-related initiatives and external evaluations

The Task Force on Climate-related Financial Disclosures (TCFD) is a framework for companies to disclose financial information on their climate change efforts and impacts. The Company expressed its endorsement of the TCFD recommendations in June 2021 and began disclosing information based on the TCFD recommendations in May 2022.

The Company joined the TCFD Consortium in July 2022.

The Green Transformation League (GX League) was established as a forum for companies to collaborate with industry, government, and academia in pursuit of Japan's carbon neutrality by 2050 goal along with economic growth. Companies contribute to the reduction of greenhouse gas emissions and at the same time aim for a virtuous cycle between the economy, the environment, and society. Proterial endorsed the GX League concept in September 2022 and has been participating in the GX League since 2023.

Put forward by an international non-profit organization, the Carbon Disclosure Project (CDP) is a system that allows companies to disclose information on their environmental initiatives and impacts. This system serves as a tool to evaluate companies, etc. based on the information disclosed against a common global scale.

Proterial received the highest level of Eruboshi certification on a three-level scale for its excellent initiatives to promote the participation and advancement of women.

Proterial was certified under the Large Enterprise Category as part of the 2023 Certified Health & Productivity Management Outstanding Organizations Recognition Program, which recognizes corporations that engage in outstanding health and productivity management practices.
